Mission & Objectives

St. Mark Catholic School leads the way in expansion for MACS into North Mecklenburg County by providing children with a quality education in the Catholic tradition. We strive to maintain an environment in which the teachings of Jesus are proclaimed as the basis of the values we teach and uphold.

We are committed to helping our students develop spiritually, intellectually, emotionally, physically and socially. We are dedicated to preparing them to live and serve in a changing society as self respecting, responsible citizens. We share this mission with our parishes and parents, and we work closely with them to meet our shared responsibility.
