Admissions Guidelines 2010-2011 Kindergarten through Eighth Grade

Applications for enrollment in the MACS system will be accepted beginning January 4, 2010.

Early admissions	January 4, 2010 through January 31, 2010
Spring admissions	February 1, 2010 through February 28, 2010
General admissions	March 1, 2010 - until all seats are occupied

Admissions invitations will be mailed according to the following schedule:

Early admissions	Mid March, 2010
Spring admissions	Mid April, 2010
General admissions	Three weeks following testing

If you are applying for an elementary grade (K thru 5th) it is most important that your three school choices be completed on your student's application. An incomplete application will be returned. Every effort will be made to assign your student to your first choice school. Your child will be placed on a system-wide wait list for that grade level only when your three school choices are not available. Your student will be assigned from the wait list to the first seat that becomes available within your three choice schools. If you are applying for a middle school grade only one school choice is required.

The kindergarten and transitional kindergarten application process requires a completed Preschool Assessment Form which is enclosed in this packet. This information assists the Admission Committee in determining each applicant's readiness for the MACS programs. It is the responsibility of the parent to present the Preschool Assessment Form (with the small return envelope also in this packet) to the student's current PK teacher. (If your child is not attending a preschool, please indicate this on the second side of the application.) Please encourage the teacher to complete and return the form in a timely manner. It is understood by the MACS Admission Committee that children will continue to grow and develop between now and entering a kindergarten program, however, the comments of the preschool teacher are needed at this time to assist MACS to better understand the child's current development. An admission decision will not be made until the completed form is received. The completed Preschool Assessment Form should be mailed by the preschool to: MACS Admission, 1123 South Church Street, Charlotte, NC 28203.

Submit a completed application for each applicant to the MACS Admission Office. An application will be processed once all paperwork is complete and copies of requested information and fees have been provided. **Each completed application should be accompanied by a \$100 (per student) non-refundable application fee.** Checks are to be payable to MACS.

MACS Priority Placement

Priority placement is given to students according to the following classifications:

- siblings of current MACS students who are participating Catholics
- current Transitional Kindergarten students who are participating Catholics
- students of MACS teachers who are participating Catholics
- participating Catholics of a Mecklenburg County parish
- participating Catholics of a parish outside of Mecklenburg County
- current Transitional Kindergarten students who are non-participating Catholics and non-Catholics
- siblings of non-participating Catholics and non-Catholics currently attending a MACS school
- non-participating Catholics and non-Catholics

Additional Considerations

In all cases involving Catholic students, their pastor must certify (with his signature on the enclosed Parish Participation Voucher) that they are participating Catholics in order to have priority placement and be eligible for the Catholic tuition rate. In order to be eligible for the participating parishioner tuition rate, Catholic families transferring into the Charlotte area may provide a letter from the pastor at their current parish stating that they are participating parishioners.

If there are more students who apply in a given category than space available, a lottery will be used to determine admission, beginning with early admission applicants. Students who are not assigned a seat will be placed on a system-wide wait list for that grade level.

All schools in the Diocese of Charlotte admit students of any race, color, sex, religion, national and ethnic origin to all the programs and activities generally accorded or made available to students at these schools.

Placement Screening

Entrance into a MACS school is subject to screening. Dates and times will be scheduled by our screening agency, ABC Tutoring, upon receipt of completed application.

The following placement screening will be administered:

Entering Transitional Kindergarten
or Kindergarten

Test of Early Reading Ability (TERA)
Test of Early Mathematics Ability (TEMA)
Peabody Picture Vocabulary Test (PPVT)
Speech and Language Evaluation

Entering Grades 1 through 3
Entering Grades 4 through 8

Woodcock-Johnson Test of Achievement (WJA)
Iowa Test of Basic Skills (ITBS)

Parish Support Program

A tuition assistance plan exists to assist families with identified financial need. This program is funded by the local Catholic parishes for participating parishioners. These funds are distributed on a sliding scale need basis. Applications for tuition assistance are mailed to families who have been accepted and have paid their registration and capital fees. A full refund of the capital fee and any tuition payments will be available if MACS is notified of the student withdraw within **10 days** of receiving the decision concerning tuition assistances. The application fee and registration fee are **non-refundable**. Contact the MACS Business Office (704.370.3264) for more information on these programs.

Speech and Language Screening

ABC Educational Services will offer Speech and Language Screening for new students applying to a Mecklenburg Area Catholic Elementary School for the 2008-2009 school year. While the Speech and Language Screening is not a requirement for admission to a MACS elementary school, it is being offered as a service to applying families. The Speech and Language Screening is in addition to the Kindergarten and Transitional Kindergarten Readiness and the Elementary Placement Screenings.

The Speech and Language Screening will take place at the time of the Admissions Screening at a cost of \$18.00. The fee for the Speech and Language Screening is paid directly to ABC Educational Services by the parent at the time of the testing.

The Speech and Language Screening will be scheduled by ABC Educational Services when the family is called to schedule the MACS Placement Screening.

PARISH PARTICIPATION VOUCHER

Each family expecting to be classified as a participating parishioner of a Mecklenburg Area Catholic Parish is required to complete this form, have the form signed by their pastor and return it to the MACS Business Office. Without this form, signed by your pastor, your family will be classified as a non-participating parishioner and charged the corresponding rate.

Families who are relocating to the Charlotte area must submit a voucher signed by their current pastor in order to be eligible for the participating parishioner rate. The Catholic transfer status will be valid for a six-month period. After six months, a voucher from a Mecklenburg Area Catholic Parish will be required.

Each family expecting to participate in the parish subsidy program is required to be registered and participating in a Mecklenburg Area Catholic Parish. This matter is to be clarified for each student before formal enrollment in the school system. Your status as a participating parishioner will be verified annually.

St. Ann Catholic School Profile 2009-2010

St. Ann Catholic School was founded in 1955 and staffed by the Sisters of St. Joseph and lay teachers. The original school was opened with 12 classrooms and a cafeteria. In 1960, 6 additional classrooms and a library opened. In 1993, a new gymnasium, cafeteria, and 2 playgrounds opened. Our students use the science, art and computer labs and the all purpose room. Classrooms are equipped with closed circuit TVs, SmartBoards, and a teacher resource center is now available. A Weather Station is in full operation and monitored by students. Read Naturally, Empowered Writes and Study Island programs are in place. In 07-08 a new program of Speech/Language Stimulation was implemented for students with special learning needs.
