Admissions Guidelines 2010-2011

Transitional Kindergarten

Purpose

Transitional Kindergarten (TK) is a program that readies the student for a full-day kindergarten program for the following year. The program will focus on developing social, listening and self-help skills. Cognitive skills will be developed through language, math readiness, science, music and art. A child must be 5 years of age on or before August 31st of the year in which the child is presented for enrollment into the transitional kindergarten program, as verified by birth certificate.

Location and Hours

A half-day TK program will run from 8:00 a.m. - 12:00 p.m. at Saint Matthew Catholic School. St. Ann Catholic Schools hosts a full day TK program from 7:45 a.m. to 2:30 p.m. Full day TK students will be permitted to stay for the MACS After School Enrichment Program for an additional fee. The school calendar for TK will follow the MACS school calendar. Before school care is available, at no charge, beginning at 7:00 a.m. daily at both Saint Matthew and Saint Ann locations.

Application Procedures

Applications for enrollment in MACS TK program will be accepted beginning January 4, 2010. Admissions will continue until all seats are filled. Acceptance preference will be in accordance with MACS priority guidelines.

Parents should submit the completed application to the MACS office. Each completed application should be accompanied by a \$100 (per student) non-refundable application and testing fee. Checks are to be made payable to MACS. A copy of the applicant's birth certificate and baptismal certificate should be included with the completed application and application fee. Assignments for the following year to MACS kindergarten program will be made according to the MACS Priority Placement. It will not be necessary to reapply for the kindergarten program.

The transitional kindergarten application process requires a completed Preschool Assessment Form, which is enclosed in this packet. This information assists the Admission Committee in determining each applicant's readiness for the MACS programs. It is the responsibility of the parent to present the Preschool Assessment Form (with the small return envelope also in this packet) to the student's current PK teacher. (If your child is not attending a preschool, please indicate this on the second side of the application) Please encourage the teacher to complete and return the form in a timely manner. It is understood by the MACS Admission Committee that children will continue to grow and develop between now and entering a fall program, however, the comments of the preschool teacher are needed at this time to assist MACS to better understand the child's current development. An admission decision will not be made until the completed form is received. The completed Preschool Assessment Form should be mailed by the preschool to: MACS Admission, 1123 South Church Street, Charlotte, NC 28203.

Testing

Entrance into a MACS school is subject to testing. ABC Tutoring will schedule dates and times upon receipt of completed application. A copy of the screening results will be mailed with the admission decision. The following tests will be administered for Transitional Kindergarten applicants:

Test of Early Reading Ability (TERA)
Test of Early Mathematics Ability (TEMA)
Peabody Picture Vocabulary Test (PPVT)
Speech and Language Evaluation

Priority Placement

- siblings of current MACS students who are participating Catholics
 - current Transition Kindergarten students who are participating Catholics
 - students of MACS teachers who are participating Catholics
 - participating Catholics of a Mecklenburg County parish
 - participating Catholics of a parish outside of Mecklenburg County
 - current Transitional Kindergarten students who are non-participating Catholics and non-Catholics
 - siblings of non-participating Catholics and non-Catholics currently attending a MACS school
 - non-participating Catholics and non-Catholics
-

Additional Considerations

In all cases involving Catholic students, their pastor must certify (with his signature on the enclosed Parish Participation Voucher) that they are participating Catholics in order to have priority placement and be eligible for the Catholic tuition rate. In order to be eligible for the participating parishioner tuition rate, Catholic families transferring into the Charlotte area may provide a letter from the pastor at their current parish stating that they are participating parishioners. If there are more students who apply in a given category than space available, a lottery will be used to determine admission, beginning with early admission applicants. Students who are not assigned a seat will be placed on a TK wait list for your first school choice.

All schools in the Diocese of Charlotte admit students of any race, color, sex, religion, national and ethnic origin to all the programs and activities generally accorded or made available to students at these schools.

Fees 2010-2011

There is a \$100 application fee (due with application). The registration fee for TK is \$125. There is a \$30 supply fee for the TK program. Tuition assistance (TADS) is available for students in the **full day** TK program only.

Upon notification of acceptance, each new family is required to pay the Registration Fee (\$125) as a non-refundable enrollment deposit within ten business days. Families starting after August 15, 2010 must pay these fees on or before their first day of school.

In all cases involving Catholic students, their pastor must certify (with his signature on the enclosed Parish Participation Voucher) that they are participating Catholics in order to have priority placement and be eligible for the Catholic tuition rate. In order to be eligible for the participating parishioner tuition rate, Catholic families transferring into the Charlotte area may provide a letter from the pastor at their current parish stating that they are participating parishioners.

If there are more students who apply in a given category than space available, a lottery will be used to determine admission, beginning with early admission applicants. Students who are not assigned a seat will be placed on a system-wide wait list for that grade level.

Each family expecting to be classified as a participating parishioner of a Mecklenburg Area Catholic Parish is required to complete this form, have the form signed by their pastor and return it to the MACS Business Office. Without this form, signed by your pastor, your family will be classified as a non-participating parishioner and charged the corresponding rate.

Families who are relocating to the Charlotte area must submit a voucher signed by their current pastor in order to be eligible for the participating parishioner rate. The Catholic transfer status will be valid for a six-month period. After six months, a voucher from a Mecklenburg Area Catholic Parish will be required.

Each family expecting to participate in the parish subsidy program is required to be registered and participating in a Mecklenburg Area Catholic Parish. This matter is to be clarified for each student before formal enrollment in the school system. Your status as a participating parishioner will be verified annually.
